

Cutlery dryer-polisher SAS-6001 230/50/1

- Dries, polishes and removes lime scale stains from cutlery after washing.
- Fully automatic.
- Stainless steel body and polishing tank.
- Rounded cutlery carousel, avoiding cutlery jams.
- Economy: saves on personnel costs and quick return of investment.
- Speed: hourly output of up to 8,000 pieces.
- Hygiene: the germicidal UVC-ray lamp sterilizes both the cutlery and the polishing product.
- Equipped with motor brake, shortening stopping time, reducing vibrations and improving the durability of the machine.
- Complete with outlet fan. Prevents drying product from getting out, when swept along by spoons.
- This appliance has been designed and manufactured in compliance with 98/37/EEC, 73/23/EEC and 89/336/EEC Directives.
- Please note: as a result of continuous product improvements, these specifications are subject to change without prior notice
